

Fall News

BabyLand 2022

Welcome Fall! BabyLand is full of hustle and bustle and rollers and crawlers! We have settled into a wonderful daily routine and we are thoroughly enjoying our new classroom space!

The babies are enjoying stroller walks and footprint art. We are also loving the nest(AKA the baby mosh pit) and building lots of block towers. We are reading lots of books and especially enjoy ones with pictures of animals.

Thank you all for returning your child's ASQ's to quickly. I typically send these out 4 times per year to track each child's growth and development. Please reach out anytime if you would like to further discuss your child's ASQ's with me.

With the temperatures getting colder, it may be time to update spare clothes. It's also a good idea to dress in layers and bring in a jacket for outside time!

Important Upcoming Dates:

*Wednesday October 26th-Cider and Donuts with Danny at 4:15pm

*Monday October 31st-Happy Halloween

*Friday November 11th-Veterans Day; Region 1 Closed, SDC Open
